

# COMPASSION

# BINGO

As a family, fill in the squares below with ways you can show compassion to others, like picking up trash, bringing flowers to a friend, writing a note to a neighbor, etc. Once your card is full, head out to show compassion in your community. You can stop when you get Bingo, five in a row either vertical, horizontal or diagonal. Or you can keep going until the card is full! Just be sure to have fun and work together to care about other people's needs.
